

DEPARTMENT OF WATER RESOURCES

1416 NINTH STREET, P.O. BOX 942836
SACRAMENTO, CA 94236-0001
(916) 653-5791

July 28, 2003

The Department of Water Resources is pleased to host the Engineering and Operations Work Group's *Operations Modeling Studies Workshop #2* associated with relicensing the Oroville Facilities (Federal Energy Regulatory Commission Project No. 2100). The workshop is scheduled as shown below.

**August 12, 2003
8:30 a.m. – 4:00 p.m.
California State University, Chico
Bell Memorial Union
West 2nd Street, Between Hazel and Chestnut Streets
Chico, California**

The Engineering and Operations Work Group highly encourages full participation from the Cultural Resources, Environmental, Land Use, Land Management and Aesthetics, and Recreation and Socioeconomics Work Groups as well as the Plenary Group.

During the workshop, the Department will explain the comparative analysis process used to measure Benchmark Study results against the potential operational impacts of proposed Resource Actions. We will also review Benchmark Study results for existing conditions and provide recommended uses of the results for various resource interests.

In the following months, we will develop modeling scenarios to address issues resulting from proposed Resource Actions submitted by the Work Groups to the Modeling Coordinator. As modeling analyses are completed they will be presented in future workshops.

To assist the Department in preparing workshop materials and obtaining an accurate count for lunch orders, please indicate whether you will participate by calling Lori Brown at (916) 653-6124 or 1-866-820-8198.

We are also posting this information and the full distribution list on our Oroville Facilities Relicensing web site, <http://OrovilleRelicensing.water.ca.gov>. Please visit our web site for additional information on the Oroville Facilities Relicensing Program and related meetings.

For your convenience, a map and written directions to Bell Memorial Union are enclosed. If you need additional information, please call Sue Larsen at (916) 651-8706.
